

FUNDRAISING IDEAS

Over the years our supporters have come up with an amazing range of traditional and wacky ideas to raise funds to support young cancer patients and their families.

Here are some ideas to get you started at home, school or work.

AT HOME OR IN YOUR COMMUNITY

- 1 Ask friends and family to donate money instead of birthday or anniversary gifts
- 2 Organise a coffee morning or an evening gala. You could also ask local businesses to donate prizes for a raffle
- 3 Sell, sell, sell – from selling something you've made, to selling second hand goods. You could contact the organisers of a local event, strike up a relationship with a local shop, or just use your front garden
- 4 Sing – from carolling at Christmas to karaoke in the pub.

AT SCHOOL

- 1 Organise a lunchtime bake sale
- 2 Battle of the bands – great fun for everyone. Ask older pupils to lead on organising the event
- 3 Hold a non-uniform day, asking pupils to donate a pound to participate
- 4 Organise a winter or summer fete with stalls, games and raffles.

AT WORK

- 1 Have a dress down day in the office in exchange for a small donation
- 2 Organise an office tournament like a football, netball or even a dodge ball tournament
- 3 Ask your manager whether your company operates a match giving scheme, where they'll match the amount you raise, pound for pound. If they don't, this could be a great day to start
- 4 Use your staffroom to sell books donated by colleagues for a small donation into a CLIC Sargent collection tin.
